Conversation Structure

- Rotating to a different topic every 20 minutes
- Identify a **facilitator** and **note taker** at each station
  - Discuss and record Innovations/Breakthroughs and Questions no one can answer at each breakout
- Regroup with your PBHCI grantee team; chose a topic area of interest and develop a SMART goal around this section.

Ground Rules

- Be open to new ideas
- Allow for all members of the group to share their thoughts

Topics of Discussion

- Implementation of Evidence-Based Practices
- Sustainability
- Financing Integrated Care
- Cultural Competency/Health Disparities
- To Partner or Not to Partner for Primary Care Provision

Please switch discussion groups at this time.

Select one of these topics for your SMART Goal Development

- Implementation of Evidence-Based Practices
- Sustainability
- Financing Integrated Care
- Cultural Competency/Health Disparities
- To Partner or Not to Partner for Primary Care Provision
