BRIGHT Weekly Report

July 29, 2013

Below is a recap of the BRIGHT program performance for the week of July 22-26, 2013.

I. Program Performance.

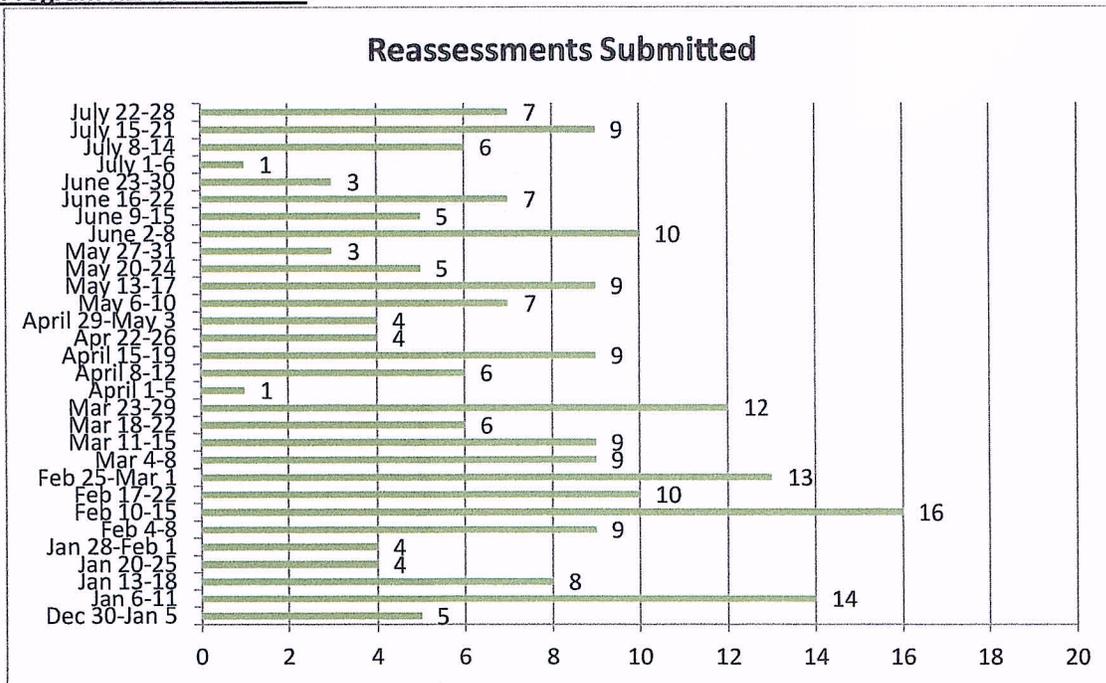

Program INTAKES by month since Oct 1, 2012 as of July 29, 2013.

● BRIGHT has enrolled a total of 143 patients since the beginning of Year 3 (October 1, 2012). The program needs to enroll **39 clients per month** for the remainder of the year in order to compensate for the low enrollment during the previous months of Year 3 to reach 80% of the Year 3 target.

● The current OVERALL intake rate for BRIGHT is now 75.2%; the PBHCI grant program average intakes is 92.2%.

Program REASSESSMENTS.

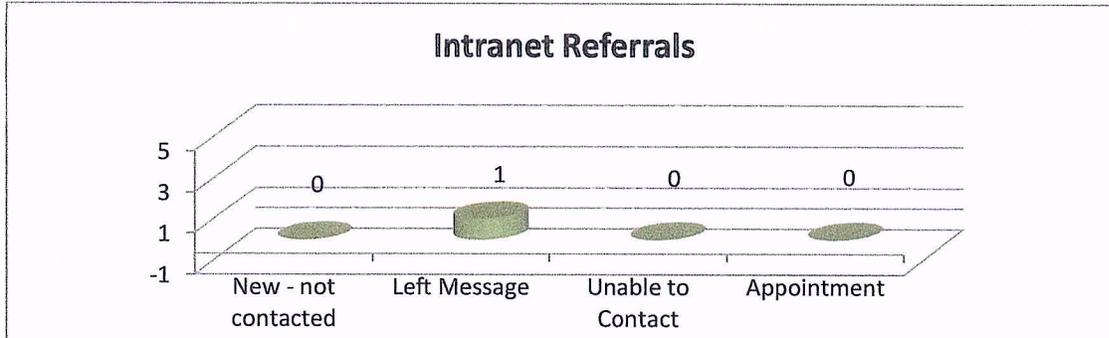

As of 7-29-2013:

- The current reassessment rate is 70.6%, a slight increase over the past week.
- The national reassessment rate average is 67.3%; BRIGHT continues to surpass the national reassessment average!

Intranet REFERRALS.

There was only 1 referral to the BRIGHT program via Prestera Center's Intranet system for the week of July 22-26; it is depicted below.

Since the beginning of Year 3, twenty-six Prestera staff have made at least one referral to the BRIGHT Health Center. Staff responsible for the Internet referrals to BRIGHT are listed below with the number of patients they have referred to the program in addition to the number of their patients that have made appointments with the health center.

Staff referrals via Prestera's Intranet 10/1/12- 7/26/13

Prestera Staff	Referrals made	Appointments made	Prestera Staff	Referrals made	Appointments made
Rita Morris	56	18	Mary Whitfield	3	1
Billie Webb	23	6	Holly McKenna	3	0
Cheryl Hinshaw	20	3	Crista Nezhni	2	1
Danielle Hickman	11	2	Ashley Bruce	2	0
Tara Fowler	7	1	Sarah Carey	2	1
Lynette Ratliff	6	2	Julie Mabe	1	0
Amanda Meyer	6	0	Barbara Crosby	1	0
Jack Estep	5	2	Allyson Riedel	1	0
Kayla Amos	4	2	Leaha Kemp	1	0
Sara Hostetler	4	2	Cam Moore	1	1
Lorena Blanco	5	1	Jared Simms	1	1
Tara Henry	3	3	Betty Reynolds	1	0
Leslie Bolden	3	0	Joy Combs	1	0
			TOTAL	173	47

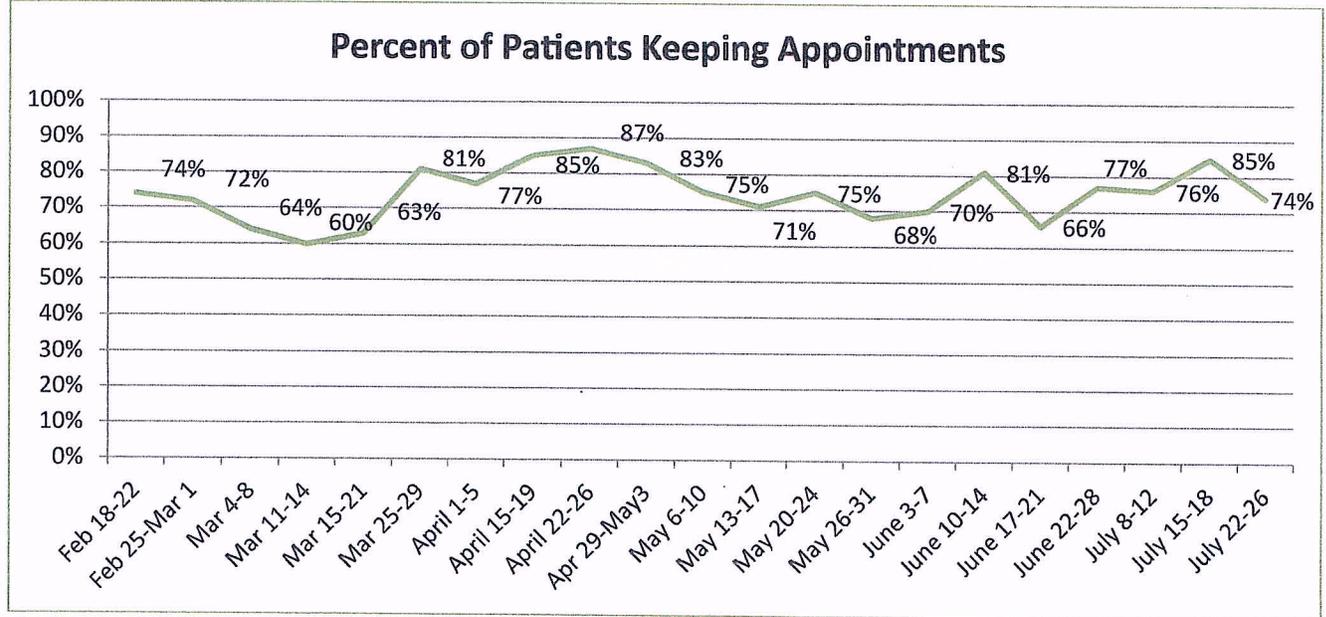

Over 27% of the referrals made to the BRIGHT program through Pretera Center's Intranet have resulted in Health Center appointments. The Pretera Intranet referral system is a good source of new patients for the BRIGHT program.

Health Center Services and No Shows.

The BRIGHT program reported the following patients seen and services provided during the timeframe of July 22-26, 2013. Services are also listed below.

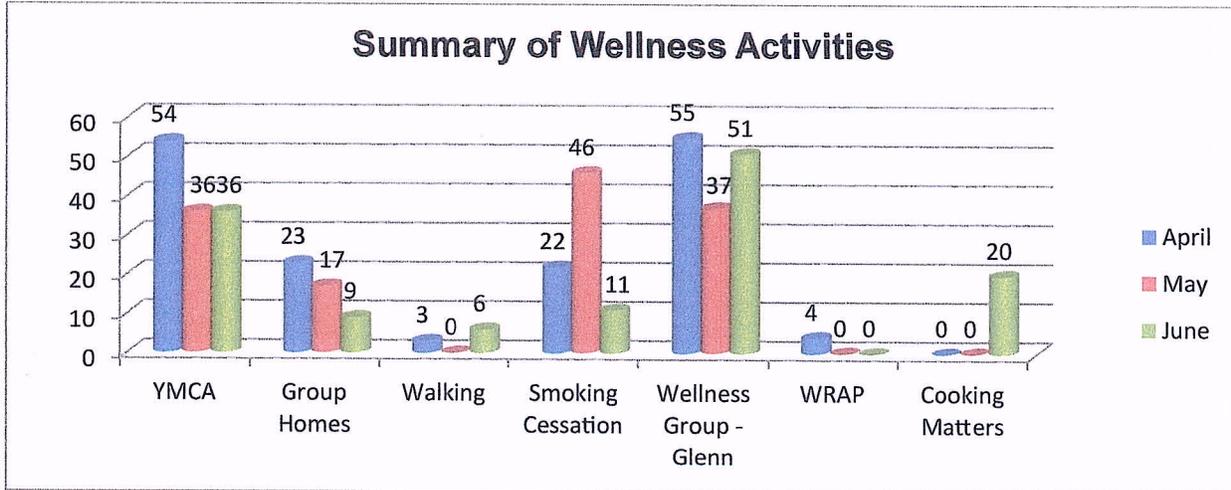

Date	Patients Scheduled	No Show	Number of Scheduled Patients Seen	Reported via Clinical Registry Services Provided
7/22/2013	21	7	14	14
7/23/2013	17	4	13	13
7/24/2013	16	3	13	12
7/25/2013	17	5	12	12
7/26/2013	6	1	5	5
TOTAL	77	20	57	56
