

Les Sperling

CEO, Central Kansas Foundation

Les Sperling serves as the Chief Executive Officer of the Central Kansas Foundation. He has held this position since October of 1999. The Foundation provides a full continuum of substance use prevention and treatment services in five locations throughout Kansas. Les is a Licensed Addiction Counselor and earned a Bachelor of Arts degree from McPherson College. He has 32 years of experience in the substance use disorder field and specializes in the integration of behavioral health services into acute and primary medical care settings. Mr. Sperling has served on the Kansas Substance Abuse Policy Board, Kansas DUI Commission, and the Governor's Mental Health Initiative Task Force.
