

**Susanne Smoller LCSW-R, CASAC, CPP, MAC, ACSW
Independent Consultant
Massapequa, N.Y.**

Susanne Smoller is an independent technical assistance, quality assurance, and training consultant specializing in substance abuse, HIV/AIDS, and harm reduction. Susanne has worked in a variety of settings with positions ranging from line worker to program director. Susanne is a New York State Office of Alcoholism and Substance Abuse Services (NYS OASAS) education and training provider. Susanne is an adjunct professor at the SUNY Suffolk County Community College in the Chemical Dependency Counselor Training Program and is an instructor at Molloy College's Chemical Dependency Counselor Certificate Program. Susanne is a consultant on a NYS Department of Health AIDS Institute Grant HIV Testing in Emergency Departments for SUNY Stony Brook Center for Public Health Education and NYS Office of Alcoholism and Substance Abuse Services Partnerships for Success Strategic Prevention Framework grant as Data Coordinator for the Massapequa Takes Action Coalition. Susanne has also been a peer reviewer for many federal grants for the past 10 years.

Susanne has been providing technical assistance to SAMHSA grantees across the country since 2005.
