Keys to Effective Outreach Strategies for Reaching High-Risk Populations
Affected by HIV and Substance Use Disorders
Presenter Bio's

Larry Villegas Perez, M.S.
Professional Training & Coaching Consultant
Washington, D.C.

Larry Villegas Perez has more than 18 years in the public health arena. He is an experienced facilitator, university educator, life coach, and mental health peer counselor with a high success rate through talent management, relationship-building, and community strategic planning.

His expertise includes training and technical assistance, program management and evaluation, health education, data collection and quality assurance, grants management and HIPPA compliance, emergency response in community settings, development of mental health programs, human resources and staff development, and translation and editing mental health information into Spanish. As a program manager and public health adviser, supported projects within the Department of Health and Human Services (DHHS), primarily within the Centers for Disease Control and Prevention (CDC), the National Institute on Alcohol Abuse and Alcoholism (NIAAA), the Substance Abuse and Mental Health Services Administration (SAMHSA), the National Institute of Mental Health (NIMH), and the Office of the Surgeon General (OSG).

He also participated in panel reviews, AmeriCorps VISTA trainings, and roundtable discussions at the NIMH, Center for Substance Abuse Treatment and Prevention, the U.S. Conference on AIDS, and Universities in the DC area. He has conducted several local and national focus groups with CBOs and government agencies and provided training to agencies working on social issues in several Latin-American countries. Currently, he is also a member of the LGBTQ Steering Committee at DC Children's Hospital, and the DC DHS Strategic Planning to end Youth Homelessness.

Charles Sellers, M.S.Ed., M.B.A.
Chief Operating Officer
New Age Services Corporation
Chicago, IL

Charles Sellers Chief Operations Officer, started with New Age Services Corporation in 2009. His work at NASC led to the development of many new programs, including incorporation of mental health screening and treatment, domestic violence integration programs and primary care services, through both public and private sources. Mr. Sellers brings 25 years of human services experience to the agency, and has extensive experience in program development, management, quality improvement and evidence based service delivery. Mr. Sellers graduated from Illinois State University with a M.S. Ed. and Northern Illinois University with an M.B.A. His family includes his wife Esther and three children, Jake (20), Josh (17) and Caroline (16).
